

# MANSION NEWS

Dear Members,

November 2011

Our Historical Structure Report is finished and will be produced soon. Hopefully, the year of 2012 will be a year of restoration and rejuvenation for the Upham Mansion!

At the present time, a financial feasibility study is in progress in order to ascertain local community support for 2012. Once this information is obtained via phone calls, survey letters and appointments, the application for a significant grant will be sent in this spring.

Kindly consider renewing your membership for the North Wood County Historical Society. By sending in your payment before January 1st, you will receive a discount of five dollars for individual or family selections.

During this time of year would you also consider bringing a guest to our Christmas Open House held on December 3<sup>rd</sup> & 4<sup>th</sup>? The occasion would be a great introduction to the North Wood County Historical Society by experiencing the traditional Christmas decor and entertainment at the Upham Mansion.

Looking onward, there will be openings on our Board of Directors. If you know of a member or future member who is a leader, please encourage them to be nominated at our January meeting.

There are many opportunities for volunteering and getting involved at the Governor William H. Upham House. Please contact the office for more information on how you can become more involved!

Thank you for considering renewing your membership. Without the generosity of our supporters and volunteers the Society would cease to exist!

Thomas Ptak  
President  
North Wood County Historical Society
